

# BENEFACTORS LIST

## 2016-2017

With this list of donors, we celebrate the generosity of our alumni and friends. We gratefully acknowledge gifts received during the 2016-2017 fiscal year (July 1, 2016 – June 30, 2017) to Carlow University, including The Campus School of Carlow University.

We hope you, our generous benefactors, take pride in supporting Carlow University. Your investments play a vital role in Carlow's continued growth and success.

*While each of our donors and every dollar we receive is important this report does not include gifts under \$100.*

# THE CALLAGHAN SOCIETY

William and Catherine Callaghan were Catherine McAuley's adoptive parents who named her the sole heir of their Dublin estate in 1822, a gesture that sparked McAuley to start the Sisters of Mercy and inspire enormous good that would grow over two centuries.

The members of Carlow University's Callaghan Society give legacy commitments through their wills, trusts, or other estate gifts that sustain the vitality and development of the university and its Mercy-based mission from one generation to the next.

# THE ENDOWMENT

## A LASTING LEGACY

Alumni, friends of the university, and organizations have taken generous action over the years to establish permanently endowed funds through outright gifts, bequests or other deferred gifts.

Some have established named scholarships either in the donor's own name or in memory or honor of a loved one, favorite teacher, or mentor. Others have provided a permanent source of funding to ensure that a program will be supported for generations to come. These permanent endowed gifts ensure that a donor's intentions and the university's needs are supported in perpetuity.
